

DietGel[®] 76A

Purified Dietary Supplement

DietGel[®] 76A is a nutritionally fortified dietary supplement, combining hydration and nutrition in a single serving. Formulated with purified ingredients, modeled on the AIN 76A maintenance diet formulation. It is flavor enhanced resulting in increased consumption.

Delivering Solutions

- Increases pup survival rates
- Superior alternative to mash diets
- Reduces time and labor
- Reduces potential for contamination
- Recommended for cancer studies, breeder support, pup maintenance, post-op recovery and post irradiation

Delivering Quality

- Commercially sterile inside and out
- Tyvek[®] medical packaging
- E-Beam irradiated
- Purified ingredients exclude phytoestrogens and nitrosamines
- Complies with quality standards as tested by an independent laboratory
- Certificate of analysis by manufactured lot
- Individually coded with lot and date of expiration

Instructions

- To be administered under the direction of a veterinarian
- Manufactured for use in research animals
- Dosage: 1 cup is designed for 5 mice over 2 days based on average size and consumption. Monitor intake.

Shelf life is 24 months, unopened at room temperature storage.

ClearH₂O[®]

Company Information

ClearH₂O[®] is committed to advancing animal research and agriculture with more effective and ethical hydration, nutrition, and medication delivery solutions utilizing our proprietary gel technology. Made in our FDA approved facility, ClearH₂O[®] products are formulated with purified ingredients and highly palatable to optimize consumption. The ready to use, convenient product format with long-dated, room temperature shelf stability helps animal researchers and producers improve the health and welfare of their animals while optimizing research and productivity outcomes.
