ClearH₂O®

Company Information

ClearH₂O® is committed to providing hydration, nutrition and enrichment products that improve the overall welfare of research animals. Our in-house scientists understand that the health and welfare of lab animals is critical to your research. ClearH₂O® products provide convenient, high-quality, consistent nutrition and hydration to promote animal wellness. Made at our FDA approved facility, ClearH₂O® products are prepared with purified ingredients and enhanced flavor to improve consumption.
