

ClearH₂O[®]

DietGel[®] Prenatal

Purified Dietary Supplement

DietGel[®] Prenatal is a high protein supplement, combining hydration and nutrition in a single serving for lactating and breeding rodents. Formulated with purified ingredients and Omega 3 fatty acids.

Delivering Solutions

- High calorie supplement for breeding and lactating rodents
- Superior alternative to mash diets
- Excellent source of high quality protein and Omega 3 fatty acids
- Reduces time and labor
- Contains folic acid and iron for increased nutritional demands
- Contains sunflower and flax seeds for foraging

Delivering Quality

- Sterile inside and out
- Tyvek[®] medical packaging
- E-Beam irradiated
- Purified ingredients exclude phytoestrogens and nitrosamines
- Complies with quality standards as tested by an independent laboratory
- Certificate of analysis by manufactured lot
- Individually coded with lot and date of expiration

Instructions

- To be administered under the direction of a veterinarian
- Manufactured for use in research animals
- Dosage: 1 cup is designed for 5 mice over 2 days based on average size and consumption. Monitor intake.
