DietGel® Prenatal is a high protein supplement, combining hydration and nutrition in a single serving for lactating and breeding rodents. Formulated with purified ingredients and Omega 3 fatty acids.

**Delivering Solutions**
- High calorie supplement for breeding and lactating rodents
- Superior alternative to mash diets
- Excellent source of high quality protein and Omega 3 fatty acids
- Reduces time and labor
- Contains folic acid and iron for increased nutritional demands
- Contains sunflower and flax seeds for foraging

**Delivering Quality**
- Sterile inside and out
- Tyvek® medical packaging
- E-Beam irradiated
- Purified ingredients exclude phytoestrogens and nitrosamines
- Complies with quality standards as tested by an independent laboratory
- Certificate of analysis by manufactured lot
- Individually coded with lot and date of expiration

**Instructions**
- To be administered under the direction of a veterinarian
- Manufactured for use in research animals
- Dosage: 1 cup is designed for 5 mice over 2 days based on average size and consumption. Monitor intake.

**Ordering Information**
DietGel® Prenatal - 69-503-02
2 oz cup (56g) - 96 cups per case
Barrier packed

### Ingredients

- Purified Water
- Animal Protein
- Molasses
- Fish Oil
- Sunflower Seeds
- Flax Seeds
- Food Acids
- Sunflower Lecithin
- AIN Mineral Mix
- Hydrocolloids
- AIN Vitamin Mix

### Shelf Life

24 month shelf life

### Storage

Does not require refrigeration or special handling.

### Company Information

ClearH₂O® is committed to advancing animal research and agriculture with more effective and ethical hydration, nutrition, and medication delivery solutions utilizing our proprietary gel technology. Made in our FDA approved facility, ClearH₂O® products are formulated with purified ingredients and highly palatable to optimize consumption. The ready to use, convenient product format with long-dated, room temperature shelf stability helps animal researchers and producers improve the health and welfare of their animals while optimizing research and productivity outcomes.
