

LabGel[®] Primate

Purified Dietary Supplement for Old and New World Primates

LabGel[®] Primate is a nutritionally fortified dietary supplement formulated with purified ingredients in a highly palatable firm gel designed for both Old World and New World primates.

Delivering Solutions

- Made with real banana puree and peanut butter
- High protein and fat formulation
- Fortified with Vitamin D and stabilized Vitamin C
- Added sunflower and flax seeds, and raisins for enrichment
- Flavor enhanced to promote consumption
- Suitable for all primates species
- Ready to use – no mixing or blending

Delivering Quality

- Superior alternative to can or dry supplements
- Efficient and easy portioning saves labor
- High temperature pasteurized for long term stability
- Complies with quality standards as tested by an independent laboratory
- Certificate of analysis by manufactured lot
- Individually coded with lot and date of expiration

Instructions

- To be administered under the direction of a veterinarian
- Manufactured for use in research animals
